

session before you adjourn. That means that you will trap people into being on winter day-light savings time one more winter unless you take it up now. That is all that I am asking Senator and I won't take up much of your time if you will allow me to take this bill up.

PRESIDENT: Senator DeCamp, for what purpose do you rise? Do you have a question regarding order. Senator Waldron was closing on his motion. Senator DeCamp.

SENATOR DE CAMP: If we would all think back, the whole purpose to bring it to the floor was to be....was the agreement by everybody in here that at the end of the session we would take it up and that is all that he is asking.

PRESIDENT: Question is do you want to....A Senator Syas, for what purpose do you rise?

SENATOR SYAS: If I am correct Senator DeCamp, that is not what he said and if you look when he brought the thing up he said let it hang there for psychological purposes. He didn't say that he was going to bring it up at all.

PRESIDENT: Another motion before the house is shall you unbracket LB651 and set it for next Tuesday. That is the issue you are deciding and that takes 25 votes. All those in favor vote aye, those opposed vote no. Motion before us is to unbracket 651 and set it for next Tuesday. Again the Chair would inquire have you all voted? Now, Senator Waldron.

SENATOR WALDRON: Get a few more to vote and then I can see if it is worth calling the house. We need 25 votes, is that correct.

PRESIDENT: It is going to be pretty hard for the Chair to sit here and wait for that to happen.

SENATOR WALDRON: I'll ask for a call of the house.

PRESIDENT: Senator Waldron is asking for a call of the house, the Clerk will record what we have, and a record vote. Alright, next bell please indicate your support... next bell....I don't need five hands for a call of the house Senator, at this particular time the question is do you support a call of the house? All those in favor vote aye, those opposed vote no.

CLERK: Mr. President, Senators, Stahmer, Stromer and F. Lewis all asked to be excused.

PRESIDENT: Are there objections to that? Hearing none so ordered. Motion is for a call of the house. If you support a call of the house vote aye, if not vote no. OK, Clerk will record.

CLERK: 13 ayes, 18 nays and 18 not voting.

PRESIDENT: Call of the house fails.

CLERK: Should I announce the vote Mr. President.

PRESIDENT: Yes, announce the vote.
